3

Input your details as required, you will then receive an email verifying that your account has been created.

4

If you have attended VITAL CPD's and wish to receive your CPD certificate, log into the site again once you verify your account creation over email.

5

Once this is completed log into your account at Vital.co.ke and select Validate KVB number.

IMPORTANT

If you receive an error message when inputting your KVB number it is because it does not appear on our database. If this occurs please send an email to cpd@vital.co.ke with your name and kvb number and we will rectify the issue ASAP

6

Once your number is verified simply click on the CPD events you have already attended and select apply for event.

7

After applying for the event select request certificate. Once your attendance has been verified you will then be able to download your certificate directly from our website.

8

Once you have created your Vital Account you will also be able to register online for all upcoming CPD events Simply log in and select the CPD you want to attend and select apply for event.

Creating a Vital account will also provide you with access to an abundance of resources on Animal Health and wellbeing.
